

Remarks

The Notice of Non-Compliant Amendment was issued for, apparently, lack of the phrase "(previously presented)" after the number of each of claims 30-32 in Applicant's Response to the USPTO's Restriction Requirement. No other non-compliance was indicated. The listing of claims now includes the foregoing phrase and it is believed that each non-compliance has now been adequately remedied. Accordingly, Applicant restates herein its response to the Restriction Requirement.

Claims 2-14, 16-19, and 21-32 are pending in the present application. The Restriction Requirement identified the following species: claims 5 and 6, claim 10, and claim 14. In accordance with the Applicant's election, claims 5, 6 and 10 have been withdrawn.

The Examiner is invited to contact the undersigned if she has any questions regarding this submission. The Commissioner is hereby authorized to charge any additional fees under 37 C.F.R. §1.16 and §1.17 that may be required, or credit any overpayment, to our Deposit Account No. 50-1133.

Respectfully submitted,
